1) The proposal with regard to the clerical staff is to replace 7 clerical posts now carrying different scales of pay as noted in the margin into posts on a uniform scale of Rs.30-3-60-5-100. On the basis of "average cost" of the grades, the extra cost involved would be about Rs.42/- per month.

2) But, as observed by the Financial Secretary, where most of the men in the old scales are drawing the maximum of their grades, as in the present case, and have to be fixed in the new scales on at least the same pay as hitherto, comparison of "average ~~pay~~ cost" of scales does not correctly represent the actual results. If all the men are put into the new scales on their present pay, there will be no immediate extra cost. But the future cost will increase at a progressive rate of about Rs.350/- per annum, on account of increments accruing in the new scale.

3) The difference in the total maximum pay of the 7 posts between the present and proposed scales is about Rs.220/- per mensem or Rs.2,640/- per annum. It represents the additional liability on the date on which all the seven clerks draw the maximum of the new scale.

Revision of the office of the Private Secy to H. H. the Maharaja.

File No. of 193 . General and Revenue Secretariat

Forwarded, with Compliments, to the Private Secretary to His Highness the Maharaja.

Chief Secretary to Govt.
6.2.36.

Perused and returned with compliments and thanks.

I am very grateful for having been given an opportunity of perusing and replying to these notes on my proposals.

I should like to point out in the first instance that the proposal which has evoked most criticism, namely, that of an incremental personal allowance to the Manager, was suggested specifically "as a temporary measure", until he went out as an Amildar, which he was expected to do in a year or two, and that the eventuality of his rising to a pay of ₨300 was never contemplated for a moment.

To remove all cause of misapprehension on this score, I would venture to request sanction to the proposal that the pay of the Manager be fixed at the original rate of ₨150-10-200 and that the present incumbent be allowed to hold the post until his pay as Amildar reaches the figure of ₨200, that is in March 1939. In the meanwhile I would ask that he be given a personal allowance of ₨10. ~~and be allowed to start at ₨160 from date of appointment as Manager~~. This would make his pay ₨160 from now to March 1937 and ₨185 from March 1937 to March 1939, when he would go out as an Amildar on ₨200.

As regards the future, I venture to urge that this is one of the posts in which an incremental pay is essential because it is essentially necessary that the

Serial No.

incumbent should stay in it for a term of years.

(11) The next objection I have to meet is that "the "revision, if sanctioned, will involve much extra cost "immediately." I attach a statement showing the pay drawn prior to December 1935 by the members of the office establishment and the pay at which it is proposed to start them in the new scales if the proposals are sanctioned. It will be seen that there is no extra cost, but on the contrary a saving.

(12) The next objection is that "the future cost will "increase at a progressive scale of about Rs350 per annum. This apparently is based on the assumption that no member of the staff ever grows older. Actually two are already over 50. There will then, if the above proposal for the Manager is approved, be a saving of Rs1500 a year on the cost of these three posts within the next five years.

(13) Finally it is said that that "it is not a valid "reason to urge for a revision merely that many officials "have reached the top of their scales and are without "increases of pay". That circumstance was not put forward as the sole ground for revision, but it is respectfully urged that it is a very potent cause of discontent. This small office of nine men in all has no avenue of promotion, except by the retirement of the senior men. Its late Manager held the same post for 31 years and has had ten extensions of service. Now that he is gone his place has been taken by a comparatively recent importation who has superseded the others because they were neither graduates nor stenographers. It has

been found possible to recruit only one graduate and two non-Brahmins, of whose prospects of promotion it is sufficient to say that the last of them has been on a fixed pay of ₹60 for over five years. These, I venture to urge, are strong grounds for giving the men in the office another avenue of promotion by interchange, and the head of it an opportunity of occasionally getting some fresh blood in by the same process.

It is said that a revision of the Secretariat scales may take place in the near future. Should this come about and should the Private Secretary's clerks be put on the Secretariat scale, any orders that would apply to the latter would apply to the former.

As a result of a further discussion with the Chief Secretary, I beg to attach a fresh proposition statement together with an allocation statement, which I hope will meet with the approval of the Government.

I should be very glad in this connection if the lien of Mr. Ahmed Ali on the post in the Private Secretary's Office could be suspended.

The modified proposal of the Private Secretary results in an extra cost (average cost) of Rs 156/- per annum. If the savings of about Rs 450/- per annum already realised on account of the Manager's retirement, are excluded, the extra cost will be about Rs 600/- per annum. In the present financial condition, even this extra cost is unwelcome. From the statements showing the present pay and the allocation statement, it is seen that none of the officials referred to in the Allocation statement have stagnated on their present pay for a long time (more than two years) and the revision in the scales of pay cannot be regarded as urgently called for.

There are at present several overlapping grades of pay and any revision should aim at the removal of this defect. In all revisions recently sanctioned

Serial No.

by Government, overlapping grades of pay have been avoided According to the modified scales of pay, there will be the following scales of pay:-

Manager.	150-25/2-200	plus Rs 10 P.A.
Head clerk	125	
1 clerk	40-5-90	
2 clerks	35-5-75	
4 clerks	35-5-65	

25) If a revision is urgently called for and cannot be deferred till the finances improve, I would propose the following modifications:-

(1) The pay proposed for the Manager may be personal to the present incumbent (with a P.A. of Rs 10/- the pay of the post being fixed at Rs 150-10-200.

(2) The pay of the remaining staff may be fixed as follows to remove the overlapping grades:-

Head clerk	100-5-125	Mr. Khande Rao
1 clerk	75-5-90	Mr. Ananda Rao
2 clerks	60-3-75	Messrs Venkatrangiah and Venkataramiah
4 clerks	30-5/2-60	Others.

26) As the minimum pay of Mr. Venkataramiah will be Rs 60/- against only Rs 50/- now proposed, the grant of a duty allowance of Rs 10/- in addition is not necessary.

dear Mirza,

I hope you will forgive my asking you if you would be good enough to look briefly into the question of the revision of the scale of clerks for this office, which you were good enough to approve generally when I placed the matter before you on the 18th November last.

H A
(Previous papers put up)

The general outline of the scheme was to reduce the pay of the Manager and abolish the post of Head Clerk, and to adopt for the whole of the rest of the office the grading of the Secretariat, taking one post as that of a first division clerk and converting the rest into those of second division clerks. The object of this latter suggestion was to give scope for promotion or transfer to men, some of whom are blocked, while others have been too long in one sphere of work.

H B

The first order received on the subject was communicated in Chief Secretary's letter No. P.3991/P.P.36-35, dated the 18th December 1935, to the effect that a saving of Rs 80 was to be made in the pay of the Manager, which was reduced from Rs 200-10-230 to a fixed pay of Rs 150. On my asking orders as to the remainder of the scheme, I have just received instructions (Chief Secretary's letter No. P.4982/P.P.36-35, dated 29th January 1936,) that the whole matter has been ordered to lie over.

H C

I want to ask you particularly to consider the case of the Manager. As you are aware, the duties of this officer consist, not so much in the control of a large number of subordinates as in carrying out orders relating to the personal work of His Highness the Maharaja. On account of the personal and confidential nature of the duties, it is essential that the officer selected should remain in the post for a considerable term of years. In fact, its late incumbent held this one position since 1905. He

has been replaced by an officer who stands eighth in the list of Acting Amildars, and who feels already that he would be better off in an Amildari than he in a post of Manager with a fixed pay of ₨ 150. Whether, however, this officer is to be retained or another posted, it seems to me essential, in order to ensure his remaining in the post, that he should be given an incremental scale of pay. And personally I thought that the proposal that the Manager should be given the scale of a second grade Superintendent in the Secretariat, viz., ₨ 150-10-200, was a moderate one, having regard to the pay given to District Sheristedars and to Managers of such offices as the University Office and that of the Revenue Commissioner. This was also the actual pay of the post thirty years ago.

As regards the remainder of the office, the purpose of the proposals is to redistribute the pay more equitably so as to secure a higher level of efficiency throughout the office without involving the Government in any additional cost. I don't wish to trouble you with the details, but have already carried out arrangements on these lines that will have to be cancelled if the scheme is not approved.

I earnestly hope that in these circumstances you will kindly see your way to giving effect to the proposals made in my letter No. C.580 of the 18th November last.

Yours sincerely,

Government

Dear Mr. Ramanathan,

With reference to our discussion of yesterday I am returning the file about the Re-organization of the Private Secretary's Office with a fresh proposition statement and allocation statement and shall be grateful if you can secure the approval of Government to this.

I shall be still more so if you can manage to arrange for the suspension of the lien of Mr. M. Ahmed Ali.

I enclose your note for reference. I observe, however, that there is a small mistake in it, namely, that the allowance of ₨ 10/- is for Mr. B. Venkataramaiya and not for Mr. K. Venkatarangaiya.

I am extremely grateful for all the great pains you have taken in helping me to bring this matter to a solution.
